[REDACTED] a son of one of Prince Teh's vice-commanders of the Army recently heard in Hong Kong that his father is still in Inner Mongolia with Prince Teh, and that they are still active in guerrilla activities against Communist troops.

25X1X6

2. [REDACTED] It would be impossible for the Chinese Communists to send a large army into the desert to engage Prince Teh without bringing a great quantity of food and water with them. If the Communists sent only a small army it would be defeated by Prince Teh's troops numbering between 30 thousand and 60 thousand men varying on the reports I have heard since 1950.

25X1X6

3. [REDACTED], the current Mongol People's Republic ambassador to China is (fun) Jansal-Galban, the Chinese ambassador to Mongolia is (fun) Jansai (a Mongol from Inner Mongolia), and the Mongol ambassador to North Korea is J. Jansai (aka Jansai) a former deputy Foreign Minister.
